

Susan Wilkey Honored at Annual Meeting

Susan Wilkey was presented with a plaque in recognition of her work as chair of PMA's **FOUNDATION** Educational Foundation on November 12 during PMA's Annual Meeting in Boca Raton, FL. The plaque was presented by the foundation's incoming chair, Gretchen Zierick of Zierick Manufacturing Corporation.

Also at the meeting, the foundation elected its 2006 Board of Trustees. New trustees include Stacey Jarrett Wagner of the NAM Center for Workforce Success and Wes Smith, president of E & E Manufacturing Co. and PMA's first vice chairman. Those re-elected to new terms include Gretchen Zierick, Stewart Rariden of Stone City Products and 2006 PMA Chairman Bernie Rosselli of Stewart EFI. Continuing on the board are Ron Lowry of Dayton Rogers, Joe Fredkove of Hennepin Technical College, Bill Adler of Stripmatic Products, Craig McAtee of Cuyahoga Community College, Richard Brown of The Brown Foundation, Mike Aznavorian of Clips & Clamps Industries, Karen Spaulding of Trans-Matic Manufacturing, Tim Gleason of Olson International, Jim McGregor of Ohio Stamping & Machine/Morgal Machine Tool, and Pat Flynn of Freeway

Corporation.

The members also approved a new membership structure to encourage more partnerships from both within and outside the industry. For more information on how you can become a foundation partner, contact Dave Sansone at 216/901-8800 or dsansone@pma.org.

PMA Educational Foundation Announces New Partnerships

The PMA Educational Foundation (PMAEF) is offering three new levels of partnerships for groups that want to show their allegiance to the industry and support its mission.

FOUNDATION **Industry Partner:** Companies in or affiliated with the metalforming industry

Level of annual support: \$500

Educational Partner: Schools and other educational institutions

Level of annual support: \$500

Friend of the Foundation: Individuals and nonprofit organizations

Level of annual support beginning at \$50

For more information and a complete listing of partnership benefits, visit www.pmaef.org or contact Anne Cunningham at 216/901-8800 or acunningham@pma.org.

PMA Educational Foundation Mission

"To enhance the supply of skilled workers by supporting and developing training and education programs, and by improving the public image and awareness of careers in metalforming."

PMA Educational Foundation Fundraising Event

A Night at the Races – March 22, 2006

The PMA Educational Foundation will be hosting a Night at the Races during METALFORM **FOUNDATION** Nashville to support efforts to develop career awareness and training opportunities in the metalforming industry. The action begins at 5:00 p.m. on Wednesday, March 22, 2006.

More than \$10,000 was raised during the foundation's first Night at the Races, held during METALFORM Louisville in 2004. The foundation is

looking to build on this success and raise even more money during the 2006 event. You can show your support of the industry by sponsoring a horse or a stable of horses. An individual horse can be sponsored for \$100, including naming rights. A stable of horses (six horses) is available for \$500. If you or your company is interested in sponsoring a horse or a stable, contact Anne Cunningham at 216/901-8800 or acunningham@pma.org.
