## Districts Support PMA's Educational Foundation

PMAEF extends thanks to the districts that offered generous support to the foundation at the "Night at the Races" fundraising event held at METALFORM.

Tennessee District Director Mike Leggett of Bennett Tool & Die (left) presents Ed Tremblay of Norwalk Innovation with a \$1500

electronics store gift card that was donated by the district. The gift card was the largest prize awarded at the "Night at the Races."

New York/New Jersey District Chair Gretchen Zierick of Zierick Manufacturing Corporation presents PMAEF Executive Director Dave Sansone with the district's \$2000 donation.

New York/New Jersey District members raised this money at their own "Night at the Races" event held prior to METALFORM at the Meadowlands Racetrack.
